Dear Peter,

Dear Peter,

What's up? I'm in Brussels, Belgium, with my family.
We're having a lot of fun here!

I like Brussels a lot because it's an amazing city. There
are a lot of things to do here and the people are very
friendly!

At the moment, my sister and I are at a small café in
Grand Place, one of the biggest squares in the city, and
we're drinking hot chocolate! Mum and dad are visiting
the René Magritte Museum.

What about you? How are your holidays?

See you soon!

Q. Nicole thinks Brussels is great.

A. ☐ True

B. ☐ False

C. ☐ No Information

D. ☐ x

E. ☐ x

people worldwide. Unfortunately it hasn't stopped yet. Countries affected include China, America, the UK and Italy. It has also spread to many other countries like France, Spain, Korea and Turkey. Millions of people have caught the virus all around the world. In addition, thousands of people are still being treated in hospital. The coronavirus especially affects people over the age of sixty. The World Health Organization (WHO) has declared that it is a global health emergency. For a long time, people couldn't work, and students couldn't go to school. As a result, they had online classes. In addition, people weren't able to travel for a long time due to the lockdown.

We still have to wear masks indoors to avoid catching the virus. In some countries there are still serious measures regarding the coronavirus. For example, it is forbidden to go out at certain hours. A limited number of people can attend events such as conferences, theater, concerts or movies.

There are fears it could mutate and spread further. It can be passed from person to person through the air. Dr. I. Wong, a virologist, said the new coronavirus is in the same family as Sars. However, it is different from Sars in some ways. Because people have symptoms such as fever, cough, and difficulty breathing, coronavirus is also like pneumonia.

Choose the correct alternative according to this text.

The Sars affected children more than adults.
